Civic Engagement Courses

CIVC 100 - Foundations of Civic Engagement

This course is designed to help students develop skills as active participants in a pluralistic democratic society through direct service, education, and reflection opportunities. It will cover key concepts and frameworks for understanding civic engagement, including: models of civic life through American history; critiques of philanthropy, volunteerism, community service, public service, and political activism; and university-community relations.

Credits: 3.00

College: Pennoni Honors College

Department: Honors Program

Restrictions:

May not be enrolled in one of the following Program Level(s):

Continuing Education

Repeat Status: Not repeatable for credit

CIVC 200 - Active Citizenship & Community-Based Learning

By exploring the conceptions of active citizenship and taking part in civic engagement activities, this course will examine issues regarding community-based learning experiences for today's university students.

Credits: 3.00

College: Pennoni Honors College

Department: Honors Program

Restrictions:

May not be enrolled in one of the following Program Level(s):

Continuing Education

Pre-Requisites: CIVC 100 Minimum Grade: D

Repeat Status: Not repeatable for credit

CIVC 201 - Civic Engagement Leadership

This course provides experiential learning in community settings as students observe, define, analyze, and practice leadership skills.

Credits: 3.00

College: Pennoni Honors College

Department: Honors Program

Restrictions:

May not be enrolled in one of the following Program Level(s):

Continuing Education

Pre-Requisites: CIVC 100 Minimum Grade: D

Repeat Status: Not repeatable for credit

CIVC 202 - University-Community Partnerships

This course will examine the university as a social institution and community actor.

Credits: 3.00

College: Pennoni Honors College

Department: Honors Program

Restrictions:

May not be enrolled in one of the following Program Level(s):

Continuing Education

Pre-Requisites: CIVC 100 Minimum Grade: D

Repeat Status: Not repeatable for credit

CIVC 299 - Special Topics in Civic Engagement

This course allows for instruction and learning in a variety of subject areas related to civic engagement such as community-based research or an issue area such as community development or youth empowerment. Special topics courses are offered by university faculty in their area of expertise and/or interest.

Credits: 3.00

College: Pennoni Honors College

Department: Honors Program

Restrictions:

May not be enrolled in one of the following Program Level(s):

Continuing Education

Pre-Requisites: CIVC 100 Minimum Grade: D

Repeat Status: Course can be repeated 2 time(s) for 6.00 credit(s)

CIVC 450 - Independent Study

Students can receive from 1-3 credits for significant extra-curricular civic engagement activities with approval from the Civic Engagement Faculty Advisory Board.

Credits: 1.00 to 3.00

College: Pennoni Honors College

Department: Honors Program

Restrictions:

May not be enrolled in one of the following Program Level(s):

Continuing Education

Pre-Requisites: CIVC 100 Minimum Grade: D

Repeat Status: Not repeatable for credit

CIVC 490 - Capstone Project in Civic Engagement

Under faculty supervision, students plan and execute a term project that integrates the academic and community-based knowledge acquired in their curriculum. Students define an issue and set learning objectives relevant to the project, develop a plan for implementation, and complete the term project.

Credits: 3.00

College: Pennoni Honors College

Department: Honors Program

Restrictions:

May not be enrolled in one of the following Program Level(s):

Continuing Education

Repeat Status: Not repeatable for credit

Honors Program Courses

HNRS 200 - Introduction to Honors Program

Offers intensive discussion of a subject of significant intellectual interest. Subjects vary from section to section and are meant to engage entering Honors students with one another under the guidance of Drexel's best faculty. Different sections may be taken for credit.

Credits: 1.00

College: Miscellaneous

Department: Honors Program

Restrictions:

May not be enrolled in one of the following Program Level(s):

Continuing Education
